

NEIGHBOURHOOD PLAN STEERING GROUP

DECLARATIONS OF INTEREST

In accordance with Clause 7.2 of the Terms of Reference, all members of the NPSG must declare any potential conflict of interest that might impact the Neighbourhood Planning process or outcome.

These declarations will be made available for public scrutiny on the Neighbourhood Plan page of the Stewkley Parish Council website.

Potential conflict of interest might arise from (but is not limited to)

- o Land ownership, where there is the potential for development of 2 or more additional dwellings.
- o Share ownership, where a significant number of shares (over £100,000 cash value) are held in a company known to have a development interest in the Neighbourhood Area.
- o Employment Status, if a member is employed by or works for a company instructed by developers involved in the development of land in the Parish of Stewkley.

In the event that a matter of 'interest' should arise during the course of developing the Plan then the Member should bring it to the attention of the Steering Group, and any Working Group the Member participates in, as soon as is reasonably practical.

Any of the matters of interest identified will not preclude a Member from participating in the development of the Neighbourhood Plan. It is simply a declaration of potentially competing interests, and to promote the objectivity of the persons involved. This ensures transparency and honesty throughout the process.

This declaration is made jointly for the individual named as well as their spouse or partner.
