# Pre-Submission Consultation

Dear Consultee,

Stewkley Parish Council has been working to produce a Neighbourhood Plan for the Parish, covering the plan period 2019 – 2039.

The draft Neighbourhood Plan (NP) has been approved for consultation by the NP steering group, a working group of Stewkley Parish Council and has as its members 6 councillors and 4 villagers. An update on the NP is provided to all councillors at the full Parish meeting and all have received a copy of the draft plan.

As a result, we are pleased to announce the beginning of the Pre-Submission consultation (in accordance with Regulation 14). This is the first formal opportunity for stakeholders to comment on the proposed Neighbourhood Plan. The consultation will run for 6 weeks from Monday 17th June 2019 and close on Sunday 28th July 2019.

Both the plan and the supporting evidence base documents can be viewed on our website from 00.01 am on the 17th June by using the following web link <https://stewkley.org.uk/np-pre-submission/>

In accordance with the relevant legislation, publication marks the beginning of a period of consultation during which we are seeking opinions and comments from statutory consultees, parishioners, people who work in the parish and individuals and organisations with an interest in the parish.

If you have any comment to make on the plan then please do so by 23.59 on Sunday 28th July at the latest. Comments may be submitted in the following ways:
