

## Stewkley Parish Council Diversity Policy

Stewkley Parish Council is proud to publicly affirm that its members will promote equality by not discriminating unlawfully against any person, and by treating people with respect, regardless of their race, religion, gender, sexual orientation or disability.

Your council outlined the following vision statement for Stewkley in its emerging Neighbourhood Plan.

*We are a welcoming and forward-thinking community and this is a central part of our vision for the future. There are many reasons people might wish to move to Stewkley from elsewhere, and these are largely the same reasons that make villagers so determined to preserve and protect the character of the village.*

This vision recognises that Stewkley will grow in population and diversity and aspires to a belief that the village will retain its key values including that of a caring and safe community.

Stewkley Parish Council actively works on your behalf to help all parishioners fulfil this vision.
