

Stewkley Neighbourhood Plan Consultation

Stewkley Parish Council has for some time been working on a Neighbourhood Plan for the area and they have now submitted the final version to us (Buckinghamshire Council).

The next stage of the process is for us, as the local authority, to carry out a six-week public consultation on the submitted Plan. This is an opportunity for local people to comment on it before it goes to independent examination.

The Stewkley Neighbourhood Plan includes policies that look to shape local development as well as making some housing allocations. It has a design focus and designates some areas of local green space.

For further information and to comment on the Neighbourhood Plan please visit

<https://yourvoicebucks.citizenspace.com/planning/stewkley-neighbourhood-plan/>

The public consultation runs until 20 December 2020.
