TRANSFER OF OWNERSHIP

If the Registered Grave Owner is deceased and a burial is required for another person in the grave, then a transfer of ownership must be completed first.

A transfer of ownership can be complicated and each case needs to be looked at individually by a recognised and competent authority suitably qualified to advise you in law.

A Change of Ownership Form is available from your Funeral Director or from the Cemetery Registrar. This must be witnessed and signed by a Solicitor or Commissioner for Oaths prior to the burial taking place. Solicitors may charge a fee for this service.
